

WHITE RIVER STATE PARK

INDY'S BACKYARD

Since 1999, White River State Park has sponsored an outdoor sculpture exhibition that has proven to be very successful and popular with visitors in the park and the city of Indianapolis.

For the 2024 term, we are accepting two sculptures that are available for installation to begin display in April until April 2027. The White River State Park Development Commission will pay the artist(s) a \$5,000 honorarium. In addition, the Park will reimburse up to a maximum of \$5,000 to help offset the costs of transporting the sculpture to and from Indianapolis, installation, and removal of the piece.

- The program is open to sculptors in Indiana and the Midwest.
- Sculptures will be displayed for three years beginning on or after April 1st, 2024.
- The honorarium is \$5,000 plus up to a maximum of \$5,000 reimbursement to offset costs of transportation, installation, and removal of the piece.
